

Board of Visitors – Spring 2000 Development Committee Report

April 14, 2000

11:00 a.m. – 5:45 p.m.

Visitor Center, Room 102

Mission Statement: The mission of the Development Committee is to provide supplemental financial resources to the School of CS, in cooperation with the College of Engineering's Director of College Development.

Our initial goal is to raise \$50K to replace general departmental funds used in the renovation project.
